The intermountain and Colorado atholic is placed on sale at the James Clarke church goods house, 847 California stree; Denver, Colo.

### PARISH NOTES.

Father Frederick McDonough, who since his ordination three years ago has been assistant paster of the Immaculate Conception cathedral, has been amde temporary paster of St. Blottop Matz ordered the transfer last week, and Pather N. W. Donovan, who has been laboring in that parish for than a year, was removed to the cathedral.

Faber Donovan formerly was at-tached to the cathedral, and his friends are glad to welcome him back. It is understood that the entire ar-rangement is merely temporary, and that Father McDonough will be returned to his old post,

The parochial school attached to St. Patrick's may reopen this fall with the Sisters of St. Joseph in charge. Last year lay teachers managed the school.

Preparations for the opening of the numerulate Conception school for the ill term are now complete. A department of mechanical and perspec-

## BRIEF TELEGRAMS

### BRIEF TELEGRAMS.

St. Petersburg—The czar is very seriously worried over the health of the czaritsa, and has decided to ac-company her on her Journey, where the doctors say she has a chance to recover her health, partially, at least. The decision of the czar to travel with his consort to a foreign country is recognized as a very grave foreboding, in view of repeated statements to the effect that the malady of the empress has reached its final stage. Friedborg, where the czar and czaritsa will stay, is within fifteen minutes' drive of Nau-Mr. and Mrs. W. H. Delicher, who recently returned from Europe, were guests of honor at dinner at the University club Wednesday evening.

key be admitted to the triple alliance is taken seriously here. It is pointed out that the interests of Turkey and the powers of the triple alliance in the Balkan do not conflict, and that for all concerned Turkey's admission would be a good thing. However the other powers would view this alliance is a question, but since the drawing closer of the relations between Germany and Austria the feeling here is not to pay too much attention to the wishes of other powers when the interests of the empire are involved,

A young Bayarian engineer, who committed suicide at Vienna the other day, left behind the following notes of his dying emotions:

5:15-I have taken my first dose of arsenic in a glass of rum and water. I feel all right, but my hand is trem-bling. Probably it is only from emo-
